25X1	7. Bob Michaels, House Appropriations Committee staff, called stating they do not currently have the transcript. It is due back tomorrow. He stated that Frank Merrill, Staff Assistant to the Passman Subcommittee, does not recall any extended questioning by Passman of CIA programs. He suggested as a possibility that we review the transcript in AID and attempt to make a judgment by simply not responding to a minor question or two and coordinate this with Frank Merrill. Mr. Michaels	25X1
	added that brought on questions about CIA by referring to the Agency in his prepared statement.	
25X1	Met with Mr. Ralph J. Devlin, Staff Assistant to the Subcommittee on Retirement, Insurance and Health Benefits, House Post Office and Civil Service, to discuss the transfer of credit and guaranteed minimum retirement proposals. Mr. Devlin confirmed that opposition is building up. Further hearings on the guaranteed minimum proposal will probably be put off until mid-summer which will center on the question of their financing.	
25X1	Spoke with Congressman Donald E. Lukens (R., Ohio) and have an appointment with him at 4:00 p.m. tomorrow to discuss his letter to the Director concerning the National Student Association. Mr. Lukens seems to appreciate our position, but would like to have as many answers as possible since he has been "concerned and troubled by NSA" throughout his career.	
25X1	Jay Sourwine, Chief Counsel, Senate Subcommittee on Internal Security,	25X1
25X1	Returned to the office of Senator Stuart Symington the classified version of the Senator's report on his recent trip to the Far East and obtained several attachments to this report which had been requested by FE Division.	*
